AMERICAN GUILD OF ORGANISTS—TWIN CITIES CHAPTER

A Wonderful Whirlwind Musical Weekend!

By Michael Barone

Talk about opportunity! Here's a bucketful. The first weekend in October promises many memorable moments for TCAGO members and organ music lovers. Almost a mini-convention, the four-day schedule below includes two fantastic free-admission solo concerts *and* subsequent 'personal time' workshop sessions with the visiting artists. Here's the lay of the land:

October 6, Friday (7:30 pm): virtuoso recitalist **Ken Cowan**...organ faculty at Westminster Choir College, Princeton, N.J.... plays the impressive 4000-pipe Lyle Blackinton organ at Benson Great Hall at Bethel University in Arden Hills.

October 7, Saturday (9:30 am – noon, at Bethel): **Workshop I**, with Ken Cowan, including meet-and-greet, interview-conversation with the artist, an exploration of 'transcriptions', and master-class sessions featuring several local players. Bring your ideas and your imagination.

October 8, Sunday (7:00 pm): guest artist **Mary Preston**...organ curator at the Meyerson Symphony Center and organist at King of Glory Lutheran Church in Dallas, Texas...performs on the new Glatter-Götz/Rosales organ at Augustana Lutheran Church (1400 Robert Street South) in West Saint Paul, Minnesota.

October 9, Monday (7-9 pm at Augustana): **Workshop II**, with Mary Preston, again with meet-and-greet, conversation, 'revelations for a Sunday morning', and master-class performances. Here's a chance to get personal tips from one of the country's finest church organists.

Don't be bashful and don't miss this opportunity to hear two fantastic performers test the mettle of two of the region's most colorful new pipe organs, *and* learn from them about how they practice and view their art.

Your TCAGO Chapter is co-sponsoring the two workshop sessions, offering you the chance to expand your horizons and add to your perspectives. Share a sense of community, call your friends, and 'come on down'!

PS: For those who cannot get enough, St. Olaf Catholic Church is hosting a **Saturday, October 7 – 5:30 pm** performance by Norwegian organist **Stig Wernø Holter** on the Lively-Fulcher organ in downtown Minneapolis, and for those who are prepared to travel quickly, on **October 8, Sunday afternoon** at 3 pm, **Peter Conte** (Wanamaker organist) plays the inaugural concert on the new 13-rank-plus-MIDI Robert Hoppe organ at Christ the King Lutheran Church (207 McConnell Street) in Mankato. Dean's Column

Greetings to All!

There will be more than autumn leaves in the air this fall! The TCAGO's program committee, with full support from the executive board, has scheduled a marvelous calendar of events for your enjoyment, inspiration, and

professional growth. Attendance offers opportunities for camaraderie and connection with other lovers of the organ. Attendance offers new ideas, support for your work, and a fun night out. So, as they say, "Show up, don't be late, and bring something to the party!" Last October the development committee, with Laura Edman chairperson, held a very helpful strategic planning workshop. Following are a few of the questions they posed regarding the future of the AGO.

What do you see as the TCAGO'S top priorities in the coming year?

- Top observations:
- Membership growth
 - Membership involvement
 - Event attendance

What are the biggest obstacles to achieving your top priorities?

- Top observations:
- Competition for time and attention (saturated local music scene)
 - Need for clearer statement of membership value
 - May be out of touch with member needs

Is membership growth feasible?

- Top observations:
- Yes - How?
 - Personal intervention with non-renewing members, former members and new organists in town
 - Involve young people and mentor them
 - Reach out to teaching institutions

The executive board along with the development committee will be grappling with these ongoing issues. I welcome constructive input from you in any of these areas. We know that preachers often sermonize around issues of their own challenge. I admit to that now. For I am one who has not consistently attended guild events and organ recitals in the community. I am one who at times feels too busy, too torn, and too tired to go out on a Monday night. I sometimes feel the need for a real shot in the arm professionally, but don't take advantage of at hand opportunities to read, listen or grow. I am sometimes discouraged by noise during my preludes and the organ's seeming inability to speak to contemporary society. Yet, as Michael Barone reminded me recently - the organ

TCAGO Member Winston Kaehler in Concert

By Winston Kaehler

Winston Kaehler, organ instructor at Macalester College, will present an organ recital as part of the Presbyterian Podium Series at First Presbyterian Church in Red Wing on **October 22 at 3:00 pm**. The organ is a two-manual, 23-rank Casavant installed in 2005.

Entitled "Body, Mind and Soul," the program will focus on relationships between the organ as physical instrument or "body," the player who is the "mind" animating the body, and the audience listening with the player to give the music "soul."

Tom Erickson, who participated in the design and supervised the installation of the organ, will briefly introduce the instrument from the artisan/craftsman's perspective; after the program, the pipe chambers and console will be open to the audience. Between musical numbers on the program, poet and author Robert Hedin, director of the Anderson Center for Interdisciplinary Studies in Red Wing, will read short passages from poetry and literature relating to the organ and its music. The program will conclude with tenor Adam Geddoe, soloist with Twin Cities Catholic Chorale, singing Sir Arthur

Resident organist Bill Chouinard will present the second annual "Tricks and Treats with the Mighty Organ" concert on the 1927 Casavant/Schantz instrument at St. Andrew's Lutheran Church in Mahtomedi on **Monday, October 30**, at **6:30 pm**. The performance, replete with special lighting and effects, is designed with young listeners in mind, and children are invited to come in costume and join in the costume parade to the "Jack O'Lantern Gallop" by Theodore Moelling. Also included will be works by Bach, Boellmann, Gounod, Grieg, Mulet, Saint-Saens and Andrew Lloyd Webber, with transcriptions by W.T. Best, Lemare and Chouinard. Refreshments and treats for kids of all ages will be served after the brief program, and an offering will be received.

St. Andrew's is located just over one mile north of Highway 36 on Hilton Trail, just east of the 694/36 junction. More information can be found at www.saintandrews.org or by phone at 651-426-3261. □

Have you always wanted a small tracker for practicing at home? Now's your chance!

This beautiful neo baroque tracker organ was built in 1972. Pipework is mostly open toe voicing with no nicking on about 2 inches of wind pressure. Specification is : Manual I – 8' Metal Gedackt, 2' Principal, II/I. Manual II – 8' Quintadena (Oak), 4' Rohrflöte, 1 1/3' Quinte. Pedal – 16' Bourdon, II/Pd, I/PD. 56 note manuals and 32 note pedals.

This instrument, in a small bedroom in my townhouse, has provided hours of enjoyment without bothering the neighbors. Currently it takes up a space 7'9" deep, 10' wide and 7'6" tall. If the instrument were to be fully assembled with the included casework, it would require 8' 9" for ceiling height. The sound is very clear with nice chime and not tiring at all. The façade pipes are of Oak and Tin. The key action is mechanical and the stop action is electric.

Currently playable in St. Cloud, MN. Installation in a new location may be available at an additional charge. \$16,000 asking price.
