Pipemotes

Pipenotes and Stewardship

Recently David Geslin as our Treasurer sent out the following request from me to Members of the TCAGO Chapter who receive *Pipenotes* in the mail.

Several years ago the Twin Cities Board of the AGO decided to send out two copies of *Pipenotes* each month, one version electronically and a shorter version by mail. This decision was made to steward our resources as wisely as possible, saving money on postage and paper. At its meeting on August 31 the Board revisited this decision and decided to make the two versions of *Pipenotes* the same, so that those who receive the paper copy in the mail would get what is sent on-line.

Since this will cost more money, the Board passed a second motion instructing me to ask if those of you who have on-line capabilities and also get the paper copy would consider receiving only the on-line version. The fewer paper copies sent by mail, the less the cost. If you need the paper copy, we'll continue to send it. If not, please let us know if you're willing to receive only the on-line copy. Send your response – “send electronically” or “send by mail” will do it – by September 25 to Treasurer David Geslin at djgeslin@gmail.com. Paul Westermeyer, Dean

We have received a number of responses to “send electronically.” Those of you who have not responded may still do it; the date given was only to get a list for this issue of *Pipenotes*, but we can make changes at any time. Thanking those who responded is one reason for reporting this in the Dean's column, but not the only reason.

I want to let everybody in the Chapter know about this, partly because everybody should know, but also to report on your Board's good work. Before I was Dean, the Twin Cities Chapter of the AGO had impressed me with its strong programs, strong concern for members, and an equally strong ability to handle resources well to make possible the first two strengths. The decision about *Pipenotes* and other recent actions by the Board point to all three of these things.

The Program Committee under David Jenkins' leadership has provided us with another set of fine programs this year, as demonstrated by Alcee Chriss' playing and the dinner at the opening event for the year. The decision about *Pipenotes* was stimulated by an attempt to make sure all members get the same information, whether they receive *Pipenotes* by e-mail or through the Post Office. The Board's instruction to me to send a request to you to keep this decision as economical as possible reflects the concern for responsible stewardship of our resources.

These kinds of things only happen where decisions are made reflectively and with care, and where people who take on tasks carry them out responsibly. It is my pleasure to serve a Board and membership who do these things very well. Thank you on my and your collective behalf.

TCAGO Opening Event

On Friday, September 18, TCAGO presented an organ concert and dinner to open the 2015-2016 season. Alcee Chriss, an Oberlin Conservatory of Music graduate and prize winner, performed on the 67-rank Liveley-Fulcher pipe organ at St. Olaf Catholic Church in downtown Minneapolis.

After the concert nearly 90 chapter members and guests gathered for dinner,

the annual installation of board members, and browsed the used music sale organized by TCAGO member Jeff Patry. Many thanks to Carsten Slostad and the Hospitality committee for arranging such a delightful meal – complete with wine graciously donated by “The Organ Doctor,” David Engen.

New Member

Greetings, my name is Diane Tuseth, and I am very happy to be one of the newest members of TCAGO. I'm looking forward to my involvement in the Guild while meeting others and continue learning as an organist and musician.

My delight in listening to organ music began at a young age while attending services in a northwestern Minnesota Scandinavian Lutheran Church. I happily accepted the invitation to play a hymn while the organist participated in holy communion and this led to organ study with Alpha Morck, an organist in Crookston. This was the beginning of a lifetime of playing various organs and varied church services.

After graduating from Gustavus Adolphus College with a music/piano minor; education major, I resided in Phoenix and San Jose where I worked as a piano instructor and substitute organist. My husband, three children and I have moved back to the Twin Cities. It was a pleasure to substitute in two area churches before landing in my present position at Minnetonka Lutheran Church. I am fortunate to lead worship, play solos on the organ/piano, and accompany various choirs and ensembles. It's an honor to help and inspire others through music.

STEPHEN HAMILTON Concert Organist

An excellent performance of the Bach "Passacaglia and Fugue in C Minor" (was) given by Stephen Hamilton who obviously knew the (Rieger) organ's sonorous capabilities and brought them powerfully to bear in a rousing account. He took serious risks with accents of duration at one point, lingering on strong beats, but succeeded in enhancing the effect of teeming culmination that lies at the heart of this work. —The New York Times

VocalEssence goes Big (Band) this Christmas!

VocalEssence swings into the holiday season with its annual concert series – *Welcome Christmas*. This year the series features Swedish composer Nils Lindberg's *A Christmas Cantata*, an “iridescent medley that invigorates, inspires and swings in equal measure,” according to allaboutjazz.com.

Both Philip Brunelle, founder of VocalEssence and new associate conductor G. Phillip Shoultz, III will conduct during this spirited holiday show, which brings together the 100-voice VocalEssence Chorus, the 32-voice Ensemble Singers and a big band, performing a lineup that blends jazz style with traditional melodies.

As is tradition, two new carols – *Go Tell It on the Mountain* by Laura Caviani and *Sleep Softly, Lullaby* by Josh Bauder, winners of the Welcome Christmas Carol Contest – will enjoy their world premieres during the concert. The annual competition, now in its eighteenth year, is sponsored by VocalEssence and the American Composers Forum, and invites composers of all ages to write a modern-day carol. This year, and staying in tune with Lindberg's work, composers were asked to write a carol for SATB chorus and trumpet in B-flat or C.

Tickets are available from \$10-\$40, with not all price levels available at all venues. For more information about this concert series and to purchase tickets, please call 612-371-5656 or visit vocalessence.org.

MPR

Classical Minnesota Public Radio encourages you to enter your classical music performance events in the MPR online calendar.

On the top bar of the general MPR web page, click on "Events," then "Events Calendar," then "Classical Music." However, if you find yourself on the Classical MPR main page, click on "More," then "Events," then "Classical Music."

In either case, once on the page that lists Classical Music Events, if you wish to add your own upcoming activity, under the headline for "Calendar Events Home" at the top of the page you should find an additional prompt for "Submit Event." Fill in all appropriate boxes (and check to see if your venue is already logged into the system, which might save you some time).

Note that this MPR Calendar information will reach a different audience than that submitted to Barone for posting on the TCAGO/*Pipedreams* calendar pages. Both are free, the one a self-service feature and a separate vehicle by which you can let people (including the Classical MPR program hosts) know about your classical music concerts.

By all means, continue to send information directly to Michael Barone too!!

We also encourage you to regularly request organ selections on the "Friday Favorites" show with Steven Staruch. Encourage and promote the inclusion of more organ music in MPR's programming!
